Backup for Goldfield Days Columbia St. Street closure August 1st 2015

Dear, Esmeralda County Board of Commissioners

The reason this item has been presented at the special meeting is a portion of the agenda item heard at the Highway Board meeting on July 7, 2015 concerning road closures for Goldfield Days was left out in part by incorrect advice of someone in the Clerks office and the person filing the agenda item could not remember off the top of their head why this particular part of the road closure was on last year's agenda. This particular portion of the road closures has been used for the annual bed races and is needed for this year's event as well.

Even though this is not directly an Esmeralda County issue, it is for a community event for the public. I humbly ask that this agenda item be heard and acted upon in the interest of the people our community and the event participants.

Thank You, Humbly Yours, Dominic Pappalardo
